

NORTH  
YORK  
FAMILY  
HEALTH  
TEAM

## **Registered Nurse Primary Care – 1.0 FTE Full-Time, Temporary Position (6 months with the possibility of extension)**

### **Reporting To: Director, Programs and Services**

---

#### **Position Summary:**

The Registered Nurse (RN) will uphold the Mission and Vision of the North York Family Health Team and provide nursing services that are accessible, patient-centered, and utilize best practices to improve the health of the population. Specifically, the RN will provide primary care to patients and families of a family physician(s) offices to promote, maintain, and enhance patient's health and quality of life.

#### **Responsibilities:**

- Conduct history-taking and physical assessments, consult, and collaborate with physicians and allied health professionals, initiate, and implement interventions and care plans, make referrals to NYFHT programs and services, and provide appropriate follow-up and evaluation.
- Conduct preventative screening, chronic disease management, and health promotion activities in-person and virtually based on clinical and best practice guidelines to positively impact health behaviours and outcomes.
- Establish and maintain therapeutic relationships by acting as a point of contact and care navigator for patients and families, as well as enhancing the patient experience.
- Provide care for patients throughout the lifespan i.e. perinatal, prenatal, infant, child/teen, and elder care.
- Perform wellness checks and well-baby visits in-person and virtually as well as immunization updates and other injections as required.
- Conduct comprehensive telephone triage of complex medical and social concerns and collaborate with physicians and allied health professionals to support patients and develop an appropriate plan of care including timely follow-up.
- Function as a resource to NYFHT members, as well as community and partner agencies.
- Support the education, training, and professional development needs of team members.
- Participate in and support quality improvement initiatives, research, and program development in alignment with NYFHT's Strategic Plan
- Engage in continuous learning and professional development opportunities.

#### **Qualifications:**

- BScN required.
