

Looking for a family doctor?

Do you need a family doctor and help with other types of support in North York?

The North York Primary Care Community Connect (NYPCCC) Program and the North York General Access Care Clinic are here for you. Language interpretation is available.

Call **416-443-7995** or scan the QR code to register.

If your needs are urgent

We will arrange the earliest available appointment at the North York General Access Care Clinic.

If your needs are not urgent

We will contact you within two weeks to connect you with the care and support you need.
